My Smile Analysis

Does your smile become you? Complete the assessment below while viewing your smile in a mirror.
 If you are considering transforming your smile through cosmetic dentistry, make an appointment with Dr. Crabtree for a complimentary cosmetic consultation to communicate your concerns, needs, and desires.

Consider		Yes	No	Comments
1	Do you have unsightly spaces between your teeth?			
2	Are you dissatisfied with the color of your teeth?			
3	Would you like brighter teeth?			
4	Do you have crooked teeth?			
5	Are any of your teeth rotated?			
6	Do you hide your teeth when smiling or laughing?			
7	Are you missing teeth?			
8	Do any of your teeth appear out of proportion (too small, too long, tall, or short)?			
9	Are there any teeth with worn or chipped edges?			
10	Do you feel self-conscious about your teeth or smile?			
11	Does any existing dental work appear unnatural?			
12	Where your crowns and/or bridges meet the gum, do you see dark edges?			
13	Do you have any silver or black fillings in your teeth?			
14	Do any of your fillings show when you smile?			
15	Do the surfaces of your teeth show defects such as pitting or indentions?			
16	Do you show too much gum when you smile?			
17	Do you feel self-conscious about your teeth or smile?			
18	Would you like to explore the possibility of improving the appearance of your teeth or smile?			
19	Have you considered orthodontics but think "braces are for teens"?
